The lamp is burning low  
Upon my tabletop  
The snow is softly falling  
Air still in the silence of my room  
I hear your voice softly calling

If I could only have you near  
To breathe a sigh or two  
I would be happy just to hold the hands I love  
On this winter's night with you

The fire is dieing now  
The lamp is growing dim  
Shades of night are lifting  
The morning light  
Steals across my window pane  
Where webs of snow are drifting

If I could only have you near  
To breathe a sigh or two  
I would be happy just to hold the hands I love  
On this winter's night with you  
And to be once again with you
