Baby let's cruise
Away from here
Don't be confused
The way is clear

And if you want it you got it forever
This is not a one night stand
So let the music take your mind
Just release and you will find
You're gonna fly away
Glad you'll go my way
I love it when we're cruisin' together
Music is played for love
Cruisin' is made for love
I love it when we're cruisin' together

Baby tonight
Belongs to us
Everything's right
Do what you must

And inch by inch we get closer and closer
Every little part of each other
Baby yeah yeah

So let the music take your mind
Just release and you will find

You're gonna fly away
Glad you'll go my way
I love it when we're cruisin' together
Music is played for love
Cruisin' is made for love
I love it, I love it, I love it
I love it
Woahhhh
I love it when we're cruisin' together
