I am ready for love
Why are you hiding from me
I'd quickly give me freedom
Just to stay in your captivity

I am ready for love
All of the joy and the pain
And all the time
That it takes
Just to stay in your good grace

If you give me half a chance
I'll prove this to you
I will be patient, kind
Faithful and true
To a man who loves music
A man who loves art
Respects the spirit love
And things with his heart

I am ready love
I am ready for love
I am ready for love
