YOu're out on the street
Lookin' good
And baby deep down in your heart
Guess you know it ain't right
Never, Never, Never, Never, Never
Hear me when I cry at night
Baby I cry all the time

But each time I tell myself that I
That I can't stand the pain
Well you hold me in your arms
Or sing it once again
I said come on, come on, come on , come on

Yeah take it
Take another little piece of my heart now baby
Break it
Break another little bit of my heart now darling
Yeah Yeah Yeah
Have it
Have another little piece of my heart now baby

You know you got it
If it makes you feel good
You know you got it if it makes you feel good
Yeah
