Come away with me  
In the night  
Come away with me  
And I will write you a song  
Come away with me  
On a bus  
Come away with me  
Where they can't tempt us  
With their lies

And I wanna walk with you  
On a cloudy day  
Through the fields that grow knee high  
Won't you try to  
Come, Come away with me  
And we'll kiss  
On a mountain top  
Come away with me and I will never stop  
Loving you ooh ooh

Doobuydoyadoyababadaydayday  
Doobooydooyadooyadaydaydayday  
Booboodobababdaydayday

And I wanna wake up  
With the rain  
Falling on a tin roof  
While I'm safe there in your arms

All I ask of you is to come  
Come away with me  
And we'll kiss  
On a mountain top  
Come away where they can't tempt us  
With thier lies

Come away with me  
Come away with me  
Come away with me
