There's a kind of hush
All over the world tonight
All over the world
People hear the sound of lovers in love
You know what I mean

Just the two of us And nobody else in sight There's nobody else and I'm feelin good Just holding you tight

So listen very carefully
Get closer now and you will see what I mean
No it isn't a dream
The only sound that you will hear
Is when I whisper in your ear I love you
For ever and ever

There's a kind of hush
All over the world tonight
All over the world
People hear the sound of lovers in love
