Have you been around
Have you done your share o' comin' down
On different things that people do
Have you been aware
You got brothers and sisters who care
About what's gonna happen to you in a year from now

Maybe I'll be there to shake your hand Maybe I'll be there to share the land That they'll be givin' away When we all live together I'm talkin' 'bout together now

Maybe I'll be there to shake your hand Maybe I'll be there to share the land That they're givin' away And we all can live together Talkin' everybody saying

Did you pay your dues
Did you read the news
This mornin' when the paper landed in your yard
Do you know their names
Can you play their games
Without losin' track and comin' down a bit too hard
Oh!

Maybe I'll be there to shake your hand Maybe I'll be there to share the land That they'll be givin' away When we all live together I'm talkin' 'bout together now

Maybe I'll be there to shake your hand Maybe I'll be there to share the land That they'll be givin' away When we all live together OH Yeah

maybe I'll be there to shake your hand Maybe I'll be there to share the land they'll be givin' away When we all live together I'm talkin' 'bout together now

Maybe I'll be there to shake your hand Maybe I'll be there to share the land they'll be givin' away When we all live together now Together now, together now

(Shake your hand, share the land)
You know I'll be standin' by to help you if you're worried
(Shake your hand, share the land)
No more sadness, no more sorrow, and no more bad
times
(Shake your hand, share the land)
Every day comin' sunshine, everybody laughin'
(Shake your hand, share the land)

Walkin' together by the river, walkin' and laughin'

(Shake your hand, share the land)
Everybody singin' together, everybody singin' and laughin'
(Shake your hand, share the land)

Good times, good times, everybody walkin' by the river now

(Shake your hand, share the land)
Walkin', singin', smilin', talkin', laughin', diggin' each
other

(Shake your hand, share the land) Everybody happy together, I'll be there, don't worry, if you're needin' me

(Shake your hand, share the land)
maybe I'll be there to shake your hand
That they'll be givin' away
When we all live together
I'm talkin' 'bout together now

(Shake your hand, share the land)
maybe I'll be there to shake your hand
Maybe I'll be there to share the land
That they'll be givin' away
When we all live together
