You with those sad eyes
don't be discouraged
oh I realize
it's hard to take courage
in a world full of people
you can lose sight of it
and that darkness inside you
makes you feel so small

True colors
shining through
I see your true colors
that's why I love you
so don't be afraid to let them show
true colors
true colors are beautiful
like a rainbow

Show me a smile then
don't be unhappy, can't remember
when I last saw you laughing
if this world makes you crazy
Take it all you can bear
Just close your eyes
because you know I'll be there
I see your true colors
shining through
I see your true colors
that's why I love you
so don't be afraid to let them show
true colors
true colors are shining through, shining through

I see your true colors
that's why I love you
so don't be afraid to let them show
true colors
true colors

True colours
are beautiful
beautiful like a rainbow

like a rainbow, like a rainbow
I see your true colours
You're beautiful like a rainbow
