I used to think maybe you loved me, now baby I'm sure  
But I just can't wait till the day when you knock on my  
door, hey

Now I'm walking on sunshine, whoa oh  
I'm walking on sunshine, whoa oh  
I'm walking on sunshine, whoa oh  
And don't it feel good, hey, all right now  
And don't it feel good, ho, all right now

I feel alive, I feel a love, I feel the love that's really real  
I feel alive, I feel a love, I feel the love that's really real

Hot town, summer in the city  
Back of my neck getting dirty and gritty  
Been down, isn't it a pity  
Doesn't seem to be a shadow in the city  
All around, people looking half dead  
Walking on the sidewalk, hotter than a match head

But at night it's a different world  
Go out and find a girl  
Come-on come-on and dance all night  
Despite the heat it'll be alright  
And babe, don't you know it's a pity  
That the days can't be like the nights  
In the summer, in the city  
In the summer, in the city

Cool town, evening in the city  
Dressing so fine and looking so pretty  
Cool cat, looking for a kitty  
Gonna look in every corner of the city  
Till I'm wheezing like a bus stop  
Running up the stairs, gonna meet you on the rooftop

It's getting near dawn,  
The lights close their tired eyes.  
I'll soon be with you my love,  
To give you my dawn surprise.  
I'll be with you darling soon,  
I'll be with you when the stars start falling.

I've been waiting so long  
To be where I'm going  
In the sunshine of your love  
I'll stay with you darling now,  
I'll stay with you till my seas are dried up.  
I've been waiting so long  
To be where I'm going  
In the sunshine of your love  
Sunshine of your love.
