Running out of time 'cause I know the road is gonna
change direction, 'cause I've seen the truth is in you,
How could I have lived so long before I found a
resurrection that could raise me from my tomb?

One life is all I need to make you known,
Call my name, send me out to a place where I belong.

Jesus, save me from my fear and doubt that always
keep me quiet,
You've set your words upon my heart, and I will not be
silent.

One life is all I need to make you known,
Call my name, send me out to a place where I belong,
One life is all I need to make you known,
Breathe it in, breathe it out, to a place where I belong.

I will not be... I will not be... I will not be silent,
I will not be... I will not be... I will not be silent,
I will not be... I will not be... I will not be silent,
I will not be... I will not be...

One life is all I need to make you known,
Call my name, send me out to a place where I belong,
One hope is all I need to make you known,
Breathe it in, breathe it out, in a place I don't belong.
