"Rain Down"

It looks like tonight the sky is heavy,
It feels like the winds are gonna change,
And beneath my feet the earth is ready,
And I know it's time for Heaven's rain,
It's gonna rain, yeah, yeah.

'Cause it's living water we desire to flood our hearts
with holy fire.

Rain down,
And all around the world we're singing,
Rain down,
Can you hear? - the Earth it's singing,
Rain down,
My heart is dry, but still I'm singing,
Rain down.
And, back to the start, my heart is heavy,
It feels like it's time to dream again,
I see the clouds and, yes, I'm ready to dance upon this
barren land,
Hope in my hands, yeah, yeah.

'Cause it's living water we desire to flood our hearts
with holy fire.

Rain down,
And all around the world we're singing,
Rain down,
Can you hear? - the Earth it's singing,
Rain down,
My heart is dry, but still I'm singing,
Rain down.

Do not shut, and do not shut, and do not shut the
heavens,
But open up, and open up, and open up our hearts.

Rain down,
And all around the world we're singing,
Rain down,
Can you hear? - the Earth it's singing,

Rain down,
My heart is dry, but still I'm singing,
Rain down, rain it down.
