Once again, I'm taken by Your love for me.
It's got me thinking it's crazy that You'd want someone
like me.

And no one else can love me the way that You can.
I don't have to understand 'cause now I know that I'll
never be the same.

I was so lonely, so lonely til I met You, Jesus, sweet
Jesus
You are the only, the only one that loves me the way
that You do.
Oh it's true.

Yeah it's true.

You're the reason my life is in a better place.
And I know nothing can wipe away the smile across my
face.

And no one else can love me the way that You can
I don't have to understand 'cause now I know that I'll
never be the same

I was so lonely, so lonely til I met You, Jesus, sweet
Jesus.
You are the only the only one that loves me the way that
You do.
Oh it's true

You are my everything.
Now I don't need nothing at all.
'Cause You are my everything, everything.

I was so lonely, so lonely til I met You, Jesus, sweet
Jesus.
You are the only, the only one that loves me the way
that You do.
Yeah you know it's true.

Yeah it's true.

You are the truth, sweet Jesus.
