### "Unbelievable"

It's unbelievable  
That the world would choose to be left out  
It's undeniable... this Love I found  
Do you know what I'm talkin' about  
'Cause I found the one thing you've been missing  
And I'm singin' "Yeah"  
You've gotta believe  
That the love you need  
Is the love I found  
It's hard to see why some people  
Just don't wanna believe  
It's crazy to run from the One who  
Only wants to give what you need  
"Hey, hey, hey"... how can you say  
You don't need to have His love in your heart  
I can't believe you'd turn away  
From the Love that takes you just as you are  
I was lost, getting tossed by  
Every wind and wave of the sea  
Sinkin' in my sin  
"Til Someone came and rescued me  
"Hey, hey, hey"... there's no way  
You could ever make it on your own  
You've got a friend in Jesus  
He'll NEVER EVER leave you alone  
"Hey, hey, hey"... how can you say  
You don't need to have His love in your heart  
His love is so unbelievable
