Adulruna Rediviva

[Composer: Christofer Johnsson, Kristian Niemann]

Shine on me Runa

Rune rediviva, you're reborn at last, from the past

Gï½GHN MIS

Adulruna Rediviva Adulruna

Hear the calling: "Walk to meet me! Run to meet me!"

In ancient days, in an ancient world, the Sibyls sung
their melodies

But the song is lost, and no one hear when Sibyls speak
the words of gods

the world is deaf

Ancient Sibylla we will follow you...

Adulruna, old Sibylla

Hear our calling, speak to Mankind!

O' Hermes Trismegistos, Orpheus, Zarathustra,

Pythagoras and Plato

Mediate the wisdom!

Philosophers eternal, make the spirit flying, rising to
spheres harmonic

where Sibyls are still singing

Leo, are you roaring to make the world awake again?

See Sophia descending from the sky

Drink the sacred nectar from the rose

The maiden has returned!

The root of mandragora (is the) foetus of Sibylla

The pages of the Runa, mediate her message

Sibylla, Sophia, she is born (the) female Christ

Aphrodite from the sea, (O) sacred rose come to me

Come, come

Rise, Rise

Venus Venus

The nectar and the bloodred wine, intoxicated, expel
the time

O' Hermes Trismegistos, Orpheus, Zarathustra,

Pythagoras and Plato

Mediate her message!

Rise O' wise Venus, Rune Rediviva!
