Upon a mountain in the middle of the universe, high above the world of man, rises the abode of gods. The shining halls of the gods circle in the sky like the stars and the twelve signs of the odia. Only those who are brave and pure of heart will be brought up n the air to the palaces of Asgard. They will ride upon the rainbow and fade side by side with the gods on the end of days.

ASGARD

- The Bifrost Bridge -

Riding on the rainbow and they'll pass the gate of
Heimdall
Open up Gladheim and the Walhall!
In the house of Odin the fallen one is standing
With all Einherjar, ready for war.

When the seal is broken up in the midwinter sky,
all the dead will follow Odin and they're coming by the
storm
in the middle of the world the rock of Gods stand high.
On the dark yule-night
The gods will descend with the dead of the brave.

Take us to Walhalla
when we'll pass the gate of Heimdall.
Let us meet gods (and) follow their ride.
If you watch the night sky you will find their dwelling
in the stars they live (as the) zodiac signs.

When the bridge will make a way for all the northern
gods
all the dead will ride on Bifrost and they're coming by
the storm
Sagas from the ancient days are written in the sky
When you read the runes again Walhalla and Asgard
are reborn.
