Ambrosia

Signs in the Heaven predicted this day

Triple conjunctions of jovian stars

(The) Trial is over the Phoenix will rise

Children are standing on the Idavall

The Judge is sent to prison

He sacrificed himself

(The) Inquisitor

Passed through the door

A martyr of temptation

A final revelation

Break all the chains and bars

Ambrosia

There is a poison

That makes you forget

(The) sweetest opiate

That castrates your will

Mary von Mossau

Was burned at the stake

(for) making her poisons

Or being awake?

The Judge is sent to prison

He sacrificed himself

(The) Inquisitor

Passed through the door

A martyr of temptation

A final revelation

Break all the chains and bars

Put out the fire and take me away

(The) Sword of Giant

Has done was told

(The) Trial is over

The nectar will flow

Children are walking

On Elysian Fields

Walk upon, the fields

When you're reborn

You are the Children of the Stone

You cannot live on bread alone

You need the spirit too

We bring the founding stone

Ambrosia
Juice of life
Holy Nectar
Drink (the) Emerald of will and dreams
The Stone is falling
Follow us beyond the world of stars
Raise it
Raise it
Rise!
