Red dragon burning again and dragging down stars
And fallen angels down from the heavens to the
newborn world,
To fulfill the prophecy and be the force to see.
Red dragon flying now and casting down stars
And ancient angels down from the heavens to the
burning earth,
To fulfill the prophecy
And be the force in man once again, as it was in the
beginning.
The diamonds gimmering in the darkness, to be the
stars in the night.
Black pearls will shine so bright, of the draconian
might.
