Future Consciousness

-----

Chaos within laughter of universe  
Why is it a sin  
To have the will to break out ?  
Haunted by their Master

Their holy god, their king of kings  
He says outbreaks are evil  
To be chained into this lake of fire  
No sanity exists  
Open eyes and truths forbidden  
All humans should obey  
Heavens gates will never fetter up their souls

Breaking through the circle  
The circle of god  
Discover your own will  
And break out

Rise to get high  
Weakness to deny  
Why submit  
Be weak and crawl ?

Chaotic skies  
Too unordered to fall  
Lord of beyond  
Lead me through the astral skies
