Originally performed by Judas Priest

Once I dreamed that love would come and sweep me  
up away  
Now it seems life's passed me by, I'm still alone today  
Here come the tears

Looks like it'll always be the same  
No one here to comfort me  
Here come the tears  
All alone, no one cares.  
So much to give to you all out there.

Take me now, in your arms.  
Let me rest, safe from harm.

Ohhh... I want to be loved...  
I need to be loved...  
Won't somebody love me...

Here they come, here come the tears...
