"Hit The Wall"

Just when i thought everything would be alright
It's not
Just when i thought nothing could go wrong
It does
Just when i thought, that i might be alright
I slide
Just when i thought, there is no place to hide
I hide

[Chorus]
No place to hide, No place to hide, No place to hide
I'm runnin out of time..........Wall, hit the wall, hit the
wall,
I'm runnin out of time

When will we learn, we've not meant to burn
When will we see
Yours is the place to be

(Chorus)

Just when i thought, i would be alright, i slide
And just when i thought, there is no place to hide........i
hide
