Aidem eht ma I, Aidem eht ma I
Aidem eht ma I, Aidem eht ma I
Aidem eht ma I, Aidem eht ma I
Aidem eht ma I, Aidem eht ma I

I will answer all your cries
I'll be there with all the lies
I'll control you and tell you what to do
And I'll be right there when you're down in the dirt
You think it's real
I tell you how you've got to feel
I'll scare you and I'll plant my fears

I am the media
I'm here to mold you
I am the media
Soon I will own you

I'll give it to you on a silver platter
All the while I'm checking in your soul
I'll give it to you on a silver platter
All the while I'm checking in your soul

Look at the damage I can do
Just one life, but it's you
I'll bet you always said it wouldn't be you
I think it's getting late now
How about you
