Passing through a life in eternal misery
You are denying
Why you can't see, this life is your enemy
Set your soul free through eternity

Now is the question, is this a lie
Never stop asking for reasons why
Why you can't see, this life is your enemy
Set your soul free through eternity

The will is the key
To fight your destiny
Your soul should be free
Through eternity

The sanity can open up your mind
Your soul would rise to never ever more to fall
