Draconian ages, typhonic dreams,  
Nuits lead the qliphotic streams,  
The depth in mind where visions dwell,  
Projections of an open shell.

Into remembrance we transcend,  
Into memories from a prior supreme darker age.

Thy fallen thou shall rise.  
Thy fallen thou shall rise.  
Thy fallen thou shall rise.  
Thy fallen.

Into aeons of the dark supreme,  
A ride on the qliphotic stream,  
Demonic queen, the whore of Babylon,  
The one who ride to mega therion.

Into remembrance we transcend,  
Into memories from a prior supreme darker age.

Thy fallen thou shall rise.  
Thy fallen thou shall rise.  
Thy fallen thou shall rise.  
Thy fallen.

Into aeons of the dark, thy fallen thou shall rise.  
Into aeons of the dark, thy fallen thou shall rise.  
Into aeons of the dark, thy fallen thou shall rise.  
Into aeons of the dark, thy fallen.
