In the glory of thy sparking

Might reflect the world its

Essence.

O Naamah, let the pillar of

Existence break down and give

Place to the gloom that emanates

From thou.

We reach for thy lore

Thou Babilons whore

Thou scarlet wore

Riding the beast

Babilon,

Lilith through Nammah

Guardian of Dreams

Let thy water flow

May we come forth through the

Mirror and become one with thy

Abundance.

LEPACA NAAMAH AMA RUACH MASKIM

ROSARAN

We reach for thy lore

Thou Babilons whore

Thou scarlet wore

Riding the beast

Babilon,

Lilith through Nammah

Guardian of Dreams

Let thy water flow

Naamah daughter of thy heart of

Darkness, emerge from the womb

Of the night .

Come in your blazing garb and

Open up your eyes to the concealed.

Open your self and bring forth

The shades as hover in the

Unknown up against us.

Let your black fires emerge over

The threshold and bestow to us
From your might.
May we come forth through the
Mirror and become one with thy
Abundance.
