Choir singing by: The North German Radio Choir)
A paradise lost
(An) Eden to regain
To illuminate
(The) Dark side of brain
On the night side of Eden await the
Wisdoms Nemesis
Night side of Eden
Night side of Eden
To be the exodus of our genesis
Night side of Eden
Night side of Eden
(The) Serpent is curling
Across your soul
Through (the) tunnel of set
With Sitra Ahra as Goal
On the night side of Eden await the
Wisdoms Nemesis
Night side of Eden
Night side of Eden
To be the exodus of our genesis
Night side of Eden
Night side of Eden
The shadow of death
From the tree of life
Hides the phantoms
From heavens strife
On the night side of Eden await the
Wisdoms Nemesis
Night side of Eden
Night side of Eden
To be the exodus of our genesis
Night side of Eden
Night side of Eden
