"Raven Of Dispersion"

Visit "[Raven Of Dispersion](#)" on MotoLyrics.com

Fly alone into the dark
And the cloud of memory
To see the world and angels
Be hurled into the sea
Of misery and cease to be

Black bird fly, rise very high
To a place above the sky
Take me away, lead astray
Where I find another day

Fly high to a place above the sky
Fly away where I find another day

Fly alone into the dark
And the cloud of memory
To see the world and angels
Be hurled into the sea
Of misery and cease to be

Black bird fly, rise very high
To a place above the sky
Take me away, lead astray
Where I find another day

Fly high to a place above the sky
Fly away where I find another day

The black bird carry me on its wings
To a place beyond the flood of memory
The raven of dispersion from
A'arab Zaraq fly in ecstasy
