I will not stray
I will not betray
The one thing that i hold so sure
I will not sway
I will always convey
His love is oh so pure

[Chorus]

When the world is crushin in and your fears are
lingering and you've
Done all to stand, stand
When you fought the toughest fight, and your tears
they don't seem light, and
You've done all to stand, stand
Stand!, Stand!, stand for what you believe

He will never leave
He will never betray you
Even when your unsure
He will never change
He will always be for you
This is the one thing is know for sure
For sure

(Chorus)
