Summernight City

Waiting for the sunrise  
Soul dancing in the dark  
Summer night city  
Walking in the moonlight  
Love-making in a park  
Summer night city

In the sun I feel like sleeping  
I can't take it for too long  
My impatience slowly creeping  
Up my spine and growing strong  
I know what's waiting there for me  
Tonight I'm loose and fancy-free

When the night comes with the action  
I just know it's time to go  
Can't resist the strange attraction  
From that giant dynamo  
Lots to take and lots to give  
Time to breath and time to live

Waiting for the sunrise  
Soul dancing in the dark  
Summer night city  
Walking in the moonlight  
Love-making in a park  
Summer night city

It's elusive  
Call it glitter  
Somehow something turns me on  
Some folks only see the litter  
We don't miss them when they're gone  
I love the feeling in the air  
My kind of people everywhere

When the night comes with the action  
I just know it's time to go  
Can't resist the strange attraction  
From that giant dynamo

And tomorrow  
When it's dawning  
And the first birds start to sing  
In the pale light of the morning  
Nothing's worth remembering  
It's a dream  
It's out of reach  
Scattered driftwood on the beach

I know what's waiting there for me  
Tonight I'm loose and fancy-free  
I love the feeling in the air  
My kind of people everywhere
