The Blood Of Kingu

[Lyrics by Thomas Karlsson]

[Music by Christofer Johnsson]

Collect the blood of Kingu from the great old sea  
And Arrogate the primeval waters  
Inside your veins the power of the demon flow  
Have you ever searched for your descent?

Gaze into your soul, we are the children of the ancient  
ones  
On the thin facade we are the kindred of the benign  
gods

Take up and read the tables of your destiny  
they hang around the neck of Kingu  
Prepare the war between gods deep inside your soul  
You are the one to fight in this war!

[Pre-Chorus:]

March for war in your soul. Hail!

Demon Kingu rise, rise, rise from the void. Hail!

Kingu rules the honred dragons, Ugallu, fishmen,  
Mushussu, umu, bulls, frogs, scorpions, dogs... Kingu  
rules the void!

[Chorus:]

Kingu is the blood of man drawn off from this early  
waren

In your veins you find the strength from the demon's  
heritage

Chaotic waters covered every part of earth  
The old gods split it like shellfish  
But in the shells the blood of chaos still remain  
Mother Habur suckle her children

[repeat pre-chorus & chorus]

[Bass:]

Kingu, general of the host of chaos, fighting for  
Tiamat; Bearer of sky and earth

[Soprano:]

Kingu, the mighty master ruling eleven demons  
Kingu, your blood is running inside the heart of  
mankind

The ancient demon, they will return...  
The blood of Kingu... their open gate
