The black earth of luxuriance
Is the food of the mind
In the alchemical lab of the nature
Is the true tunnel of self
The Gods of the earth of mind from the stars
Eat the flesh of Gods and become one of them

There is a secret
Network of below
Here in the tunnels
The flesh of Gods grow

Serpent coil
Out of earth
(And that increases knowledge)
Eat it and
Become like God
(Enter the endless sky)

Revive the old sacrament
From the days of paganism
Open the third eye
And enter the astral stars

Falling down stardust
Into planet pores
Embryo of Godhead
Is in these spores

Enter dream time, the continuum of space
The gate of time
(Is what you can reach)
Flesh of dead Gods will fertilize their mind
The fruits of Gods
(Is what you will eat)
Enter dream time, the continuum of space
The gate of time
(Is what you can reach)
Flesh of dead Gods will fertilize their mind
The fruits of Gods
(Is what you will eat)
