deep in the wood, in the dark, there's a way
follow this path and you'll meet a strange crowd

in the forest you will meet
silhouettes of your dreams
dancing on the path you walk.
things you have frightened
you now find so sweet.
on the path of darkness
your wishes become real.
on the crossroad you will meet
what your heart desire.
take a glance upon the shadows
on you see your face in them.
when you wake up you wish
you will sleep again.
