Tuna 1613

[Composer: Petter Karlsson, Snowy Shaw]

Flash of light, from the sky above  
I'm the augur of runes  
I'm the Lion Man  
Flash of light, early in this winter dawn a vision of  
hidden truths in Tuna  
IVDICIVM, the year I have waited for. I read it (in) the  
prophecy  
Year of doom...  
I can see! I'm filled with this fantasy  
The King is my company in Tuna  
The judgement day, it has been revealed to me (in) a  
moment of ecstasy

I can see!  
Flash of light, from the sky above  
I'm the augur of runes  
I'm the Lion Man  
666, the number was shown to me  
I'm filled with this prophecy in Tuna  
A Momentum excitationis  
In the year of IVDICIVM - year of Doom  
Flash of light, from the sky above  
I'm the augur of runes  
I'm the Lion Man
