Vanaheim

[Seed of Ing]

[There are two races of gods. The Vanir-gods of Vanaheim belong to an old stock of gods, maybe even older than the Asir. They live on fertile fields and near the sea. They are known for their power over life and happiness and the seed is their symbol. The lord and lady, Frej and Freja, are the rulers of Vanaheim and they are united in the sacred marriage which brings life to the arable and pasture lands. Not known to everyone is the secret lore of witchcraft which the Vanir - gods teach the chosen ones.]

Take the seed of Frej  
Put it in the sacred soil  
make it come alive  
And fertility will rise.  
Enter Vanaheim  
Where dead will come alive.

Magic of Freja  
Take you to another world  
By the trance of sejd  
(The) sibyl see into your soul.

Enter Vanaheim  
And you will know thy self.

Vana-king and queen,  
Lord and Lady of the gods  
If you sacrifice  
They'll release your fylgia.

Enter Vanaheim  
And find your totem-beast.

By the seed of Ing  
(Your) fylgia will take you high  
Find it in your blood  
From the days of Vanir war.

Enter Vanaheim  
And you will fly in the fair fields  
With the gods, forever.
