"Wand Of Abaris"

Visit "[Wand Of Abaris](#)" on MotoLyrics.com

Walking through heat and desert sand
High priest of the Egyptian land
On his way to the land of snow
From his wand all the magic flows

The wand is glowing in the dark
Abaris show the way to man

Sparks and arrows of the sun
Penetrates the human mind
Sparks and arrows of the sun
Leave the groves of Arcady
Take the wand across the sea
Leave the groves of Arcady

The rune of Eiwar is guiding you
A Delphian forecast of what to do
Enter Sanctum of Uppsala
Earthly foretaste of Walhalla

The wand is glowing in the dark
Abaris show the way to man

Sparks and arrows of the sun
Penetrates the human mind
Sparks and arrows of the sun
Leave the groves of Arcady
Take the wand across the sea
Leave the groves of Arcady

I see divine Abaris in the labyrinth
I hold the bow and arrow made of hidden runes
