"What's Your Kind"

Visit "[What's Your Kind](#)" on MotoLyrics.com

Live in this world of darkness and hate
Participate in all it's evil ways
Deranged and senseless
You wind up defenseless
Gaining the world
But losing your soul

What kind of fools are you
To serve an angel that don't love you
What kind of fools are you
To be blinded by the darkest light
What kind of fools are you
To server an angel that don't love you

Where is your soul
Do you even know
Lost it somewhere back there
Back when you used to care

Livin' this life you can't be proud
All it does is bring you down down
Warp your mind and keep you on the ground
Get away get away right now
Get away before you drown

All my life I followed the wrong God
All my life I went the wrong way
All my life I followed the wrong God
All my life a strayed away
