Ooh ooh ooh ooh, ooh ooh ooh
La la la la la, la, la la la la la
Ooh ooh ooh ooh, ooh ooh ooh
La la la la la, la la la, la la

Hey, I'm ready, love ready
For everything that's gonna come along
Yeah, I'm ready, love ready
This feeling keeps growing much too strong
You see

For so long I've been waiting here baby
On the side
With emotions that I feel so deeply
Trying to hide

Anytime I see you, it goes from bad to worse
Every time you smile, my heart's about to burst
Maybe you've seen the sign
But you can't read my mind
Gotta let you, gotta let you know, know, kno-know kno-know

That I'm ready, love ready
For everything that's gonna come along
Yeah, I'm ready, love ready
This feeling keeps growing much too strong
Yeah, I'm ready baby, love ready
For everything that's gonna come along
Yeah, I'm ready baby, love ready
This feeling keeps growing much too strong

I'm so glad that we're together baby
Everyday
You've become a part of everything in me
And what I say

Anything you wish, I know it will come true
Anything you want, I'll help you get it too
It's right there on the wall
Says you and I for sure

Time to let it, time to let it show, show, sho-show, sho-show

That I'm ready, love ready
For everything that's gonna come along
Yeah, I'm ready, love ready
This feeling keeps growing much too strong
Yeah, I'm ready baby, love ready
For all your sweet and tender charms
Yeah, I'm ready baby, love ready
So here I am and take me in your arms

I'm ready for you
Love ready for you
I'm ready for you
Love ready for you
I'm ready for you
Love ready for you

Ooh ooh ooh ooh, ooh ooh ooh
La la la la la, la la la, la la

I'm ready
I'm ready, love, love ready
I'm ready
I'm ready, love, love ready
I'm ready
I'm ready, love, love ready
I'm ready
I'm ready, love, love ready
I'm ready
I'm ready, love, love ready
