Ain't it kind of funny?
How love can be like money...
You can spend it,
or save it like your last dime.

We went from forever,
to a box of old love letters on paper.
Still don't make sense in my mind...

[Refrein]

How do you go from being someone's someone?
To just someone they used to know?

There was a time where every melody...
Was meant for you and me.
So how did we become?
Just some line... in a song.

[Verse 2]

Ain't it kind of crazy?
How love can be that way,
You miss someone so much...
Then we just move on.

You try to make it better,
But the heart just ain't that clever,
You just feel the way you do until you don't.

[Refrein]

How do you go from being someone's someone?
To just someone they used to know?

There was a time where every melody...
Was meant for you and me.
So how did we become?
Just some line... in a song.

[Bridge]

Ooooooh!
How do you go from being someone's someone?
To just someone they used to know? Ooooooooooh...

[Refrein]

There was a time where every melody...

Was meant for you and me.

So how did we become?

Just some line... in a song.
