

These Arms Are Snakes

"Exhale"

All in one day,
The choice to stay was mine.
To make this one mistake (now that),
Everything,
With you and I,
Has all led up
To this one moment.

This is not what I'd want
No.
No one can ask for this much.
Now... I... Come... Down...

Do what you want (say what you want)
Take what you want (never enough)
Can't be enough (don't give a fuck)
For this to stop
For this to stop
I'll never run hard enough
And always get caught in it

I go down.
Only to arise, I fall into your warm embrace.
If this is comfort then why has it been so hard for me to
breathe?

Exhale... (hyper-ventilate to communicate)
I could (never)
Hold on to you (believe)
Forever (a word I say)
