Bitterness consumes my mind tonight  
With every kiss I shouldn't take  
But I feel your lips caressing every line  
Convincing me that I should stay

Cause you're beautiful, it's true  
You're so beautiful

Tell me I'm a mistake  
It's what I need to know  
Through this lust, this heartbreak  
I still can't let you go  
Your taste still burns  
And I can't leave it alone  
Tell me I'm a mistake  
But never let me go

Tempest feelings in my lungs tonight  
My breath's so heavy I can't speak  
I'm questioning between wrong and right  
But I can't contest that I'll be weak
