

Krupps Die "Isolation"

Visit "[Isolation](#)" on MotoLyrics.com

Isolation is like serving time
except in this case I've done no crime
I choose to be alone to search my soul
to see if there is good in this heart with a hole
I had no control when I lived out there
my life became a nightmare
there is no love in isolation
all you have is your imagination
I live in a world created on my own
contempt for the outside keeps me alone
Isolation is for me
the only way to be free
Isolation - is liberation
when desperation is what you feel
Isolation - is liberation
when desolation is what you feel
Isolate - myself
free - myself
isolate - myself
be - myself.

Music: Engler, Altus. Lyrics: Engler, Engler
