I don't oppose

I don't confront

go with the flow

hard to control

I do conform

I follow the norm

swim with the mainstream

I'm not what I might seem

I can't be identified

Mr. Faceless personified

without reflection

there's no detection

This is my strategy

I use the LCD

you can call me an infiltrator

I'm the Lowest Common Denominator

I won't protest

I won't disapprove

the faceless crowd

covers my moves

I don't offend

seem easy to bend

don't have a profile

no godgiven style.

Music: Engler, Altus. Lyrics: Doerper
