"Down In Oakland"

this song goes out to a good friend of mine  
He lives life to the fullest, (yeah) every single day

Down in Oakland  
I'm gonna find them  
I'm gonna get them  
I'll go rewind them  
You can not hide them  
I will go find them  
Oh down in Oakland  
It's such a sinner

With a hard boy drunken Ballentine  
He's got 7 teeth left in his head, yea  
He works at dark's in the day  
At night he walks with the dead  
And this lady come over to him  
She want us take him for a ride  
She said, "This dirty old town got no place a hide"

Time going away in town  
And you got nowhere to go  
Oh you can not move around  
When your stuck in a blizzard snow  
You wear your royals and eights  
And you choose what's gonna be a sight  
She said, "This dirty old town got no place a hide"

Down in Oakland  
I'm gonna find them  
I'm gonna get them  
I'll go rewind them  
You can not hide them  
I will go find them  
Oh down in Oakland  
It's such a sinner

"Hey, where am I?"

Down in Oakland  
I'm gonna find them  
I'm gonna get them  
I'll go rewind them  
You can not hide them  
I will go find them  
Oh down in Oakland  
It's such a sinner
