"Gangsters And Thugs"

Visit "[Gangsters And Thugs](#)" on MotoLyrics.com

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell
Drugs

You stand by me
I stand by you
If there is a fight I'm the one to come to
Good and bad, times we've been through
You got my back and I got yours too
All of my life you are in my crew
I'd do anything for you
Beat someone black and blue
Black and blue and I'd do it for you

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs

Try to tell 'em leave us alone
Still ridin' with them fellas down that unknown road
There aint no tell 'em, I told 'em before
Wouldn't listenin'
No more bitchin'
Leave 'em all on the floor
I know
You think it's money
Your dead 'till it hurts
That's why I still got that nina, and I still got that work

Tommorow ain't promised
I'll smoke it today
The zone will run you five
And I'll be on my way

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs

It's official, I'm destined to fail
And I ain't tryin' catch no case,
I got no money for bail,
I'm hurtin', Up in the E.R.,
Before New Year's Eve,
Said they're nothing we can do and we suggest that
you leave,
30 G's, No insurance, They don't give a damn
Back to breakin out the scale, Break it down into
grams,
They say you can't win for losin, I swear it's the truth,
Same shit, different day, Man I swear what's the use

It get's us paid, with good intentions
I got dirty with two prostentions
I make a living ain't got no pension
For transcriptions for my life on tension
The world is mine, no limit I can do it
Every drama in life I've been through it
Even if I had a good and I blew it
Regret nothin' I move on and say fuck it

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs

Gangsters and thugs
Criminals and hoods
Some of my friends sell records, some of my friends
sell drugs
