You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything

So many times I've been alone  
I didn't know what to do  
I don't know where I'd be  
If I didn't have, I didn't have you  
You comfort me  
Make me believe  
Give me the strength I need  
Since you came into my life it's been so heavenly  
Heavenly

You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything

So many things I wanna say to you  
I'd give my all to you just because

You came around and gave me  
All your, all your love  
Now I'd sacrifice my very life  
All you have to do is say the word  
And there would never be no other

You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything

You're the reason why I found my way  
And you're the reason why I feel this way  
And you're the reason why I have to say  
I had to let you know you're my everything

Ooh ooh  
Ooh ooh

You're the reason  
Ooh ooh  
And you  
You're the reason why I have a say  
Ooh you're my everything
