The clock strikes upon the hour,
And the sun begins to fade,
There's still enough time to figure out,
How to chase my blues away,
I've done alright up till now,
Its the light of day that shows me how,
And when the night falls the loneliness calls.

Chorus:

Oh I wanna dance with somebody,
I wanna feel the heat with somebody,
Yeah I wanna dance with somebody,
With somebody who loves me.

I've been in love and lost my senses,
Spinning through the town,
Sooner or later the fever ends,
And I wind up feeling down,
I need someone to take the chance,
On a love that burns hot enough to last,
So when the night falls,
My lonely heart calls.

Chorus:

Oh I wanna dance with somebody,
I wanna feel the heat with somebody,
Yeah I wanna dance with somebody,
With somebody who loves me.

I'll heat you oh oh oh
Can you feel it? Can you feel it?
I'll heat you oh oh oh
Would you feel it? Would you feel it?

I need someone to take the chance,
On a love that burns hot enough to last,
So when the night falls,
My lonely heart calls.

Oh I wanna dance with somebody,
I wanna feel the heat with somebody,
Yeah I wanna dance with somebody,

With somebody who loves me.

Oh I wanna dance with somebody,
I wanna feel the heat with somebody,
Yeah I wanna dance with somebody,
With somebody who loves me.
