Baby you can stay if you want to,  
You think I'm bad news well I'm thinking that too  
Me, I got a place we can go to,  
So grab your coat soon and that drink in front of you

We're breathing in, we're breathing out,  
I'll let you know what I'm all about  
It's time we went and let it out

Tonight I'm here 'til I'm gone,  
Forget your name but it's on the tip of my tongue  
Don't sweat it, don't sweat it, don't sweat it at all  
We got time, the night is still young  
Don't sweat it, don't sweat it, don't sweat it at all

You'll be sad to know that it's not far,  
You're into long drives and I'm into fast cars  
Even if we crash it won't leave scars,  
You know we're, all stars and we know the night is ours

We're breathing in, we're breathing out,  
I'll let you know what I'm all about  
It's time we went and let it out

Tonight I'm here 'til I'm gone,  
Forget your name but it's on the tip of my tongue  
Don't sweat it, don't sweat it, don't sweat it at all  
We got time, the night is still young  
Don't sweat it, don't sweat it, don't sweat it at all  
[x2]

Don't sweat it, don't sweat it, don't sweat it  
Don't sweat it, don't sweat it, don't sweat it

She says her name with accents and oh!  
I got a bunch of ex's that she knows!  
She's into me, 'cause I cause trouble easy  
These girls need drama just to breathe, oh yeah  
[x2]

These girls need drama just to bre-breathe

These girls need drama

Tonight I'm here 'til I'm gone,  
Forget your name but it's on the tip of my tongue  
Don't sweat it, don't sweat it, don't sweat it at all  
We got time, the night is still young  
Don't sweat it, don't sweat it, don't sweat it at all

Tonight I'm here 'til I'm gone,  
Forget your name but it's on the tip of my tongue  
Don't sweat it, don't sweat it, don't sweat it at all  
We got time  
Don't sweat it, don't sweat it, don't sweat it at all
