I'll surf every wave  
There's no one else surrounding me for days  
If I find the time  
You have to arrive  
Cause X will mark the spot,  
Where we can connect the dots

Cause I got 15 minutes to midnight  
And These Kids we do this all night  
No we wont just throw the towel in  
We give everything  
You give everything

I'll keep holding on,  
I'll keep holding on  
You have found a way to keep me around,  
When I'm looking for a reason to leave this town  
But I'll keep holding on

I'll surf every wave  
There's no one else surrounding me for days  
And I like a good mind,  
But I love a good time.  
I can't be there every weekend  
But I'll visit once a season

Cause I got 15 minutes to midnight  
And These Kids we do this all night  
No we wont just throw the towel in  
We give everything

You give everything

I'll keep holding on,  
I'll keep holding on  
You have found a way to keep me around,  
When I'm looking for a reason to leave this town  
But I'll keep holding on

So say it's okay,  
And I'll be away  
I'll go way further,

It's not over  
Cause I got 15 minutes to midnight  
And These Kids we do this all night  
No we wont just throw the towel in  
We give everything  
You give everything

I'll keep holding on,  
I'll keep holding on  
You have found a way to keep me around,  
When I'm looking for a reason to leave this town  
But I'll keep holding on

I'll keep holding on  
I'll keep holding on
