Hot lights give me the rights  
To take it out of control  
Street fights, big city nights  
Watch it now 'cause I'm on a roll

I spy the look of blood in your eye  
You must have sold your soul  
Don't you try messing with me  
Pressure's gonna take it's toll

Don't make me do it  
'Cause I'll cast a spell  
Don't put me to it  
'Cause I bounce back when I fall

I'm a survivor - change with the wind  
Chase my love out on the road  
I'm a survivor - living in sin  
And I fight until the day I win  
I fly with my power on high  
Kick in adrenaline  
Testify - do or die  
I blow like nitroglycerin

Don't make me do it,  
'Cause I'll cast a spell  
Don't put me to it  
'Cause I bounce back when I fall  
Yes I bounce back when I fall

I'm a survivor - change with the wind  
Chase my love out on the road  
I'm a survivor - living in sin  
And I fight until the day I win

I'm a survivor - change with the wind  
Chase my love out on the road  
I'm a survivor - living in sin  
And I fight until the day I win

I'm a survivor - change with the wind

Chase my love out on the road  
I'm a survivor - living in sin  
And I fight until the day I win
