I should cry
But I won't
I should say that I hate you
But I don't

Now I'm stuck here
Lying on my bed
And you're the one thing
I can't get out of my head

Now I'm so confused
Don't know what to do
So why don't you tell me

Tell me why
Did you say this is what you really wanted
Tell me why
Did I think I had everything figured out
Tell me why
Did I fall for you all over again
Even though I knew
That this is how it would end

I'm trying hard not to show you
That I really do
Care for you

I'm so sick of getting treated this way
I just wanted you to want me too
So here's what I have to say

Tell me why
Did you say this is what you really wanted
Tell me why
Did I think I had everything figured out
Tell me why
Did I fall for you all over again
Even though I knew
That this is how it would end
