hey this is for the one that i love!

he's that pretty dark skinned boy, with them cutie pie eyes,
i shiver and i quake, when i see him smile.
he's got super man good looks, with a wonderful personality,
i guess what i should say, is i like him.

i like the way he smiles in a photograph, at the way he seems so bight,
the look on his face when he laughs, sometimes makes me cry,
wondering whether or not he'll be mine.

i like him, i don't know if he likes me too,
and maybe i should find him, so i could go to his face and say,
i like yooooou.

i like the way he makes those funny faces, he makes me laugh so hard,
i hope that there will be no other spaces, i hope that we will never be apart.

now i know that in this life today, other relationships may never be the same.

i like him, i don't know if he likes me too,
and maybe i should find him, so i could go to his face and say,
i like you.

i like him, i don't, i don't, i don't know if he likes me too,
and maybe i should find him so i could go to his face and say,
I LIKE YOU!!!!!!

Forever yours.
